

TABLE TALK NOV 28, 2011

Our next Friday night supper takes place on December 9, 2011, and we are having Stuffed Pork Chop Supreme. There is a curling clinic also being hosted that night by Brian Rice (Certified CCA Coach). More information is available at the bar. An advanced clinic is being planned for January.

“Around the World” is this years theme for the Gallant Insurance Ladies Open Bonspiel. The sign up sheet and poster are now available on the bulletin board. Our chairlady is Megan Woodburn.

Hannay’s Mens Open Bonspiel is fast approaching also, with a cap once again at 32 teams. Signup and poster information are now available at the club, and online on our website, [www.rextoncurlingclub.com](http://www.rextoncurlingclub.com). Contact Shawnessy Gallagher for more information.

The Dominion Bonspiel will be held on March 16, 2011 at the Fredericton Golf & Country Club as well as the Gladstone Curling Club. Some members are discussing a few ideas of forming teams early and playing against each other when there is open ice time available. This format does meet the requirements of playing together on a regular basis and would help the teams get ready for the competition. Match committee members Delphis Cormier and Louis Daigle are looking into this and would appreciate your input.

There is a ‘Spare’ list available if you may need one. If you want to add your name or remove it, please let Don know. Additional copies will be available next week.

We are pleased to have added a few new advertising signs on the ice this past few weeks. St. Louis Enterprise, Noella Hebert and Coop St. Louis Ltee have joined our cherished walls. If you know of a company who might to advertise, please let Louis Emile Daigle or Don Teakles know anytime.
