Third places went to the teams skipped by Megan Woodburn, Eddie Hudson and Bernard Thebeau. There were a lot of games played to determine the final 9 and very close races. We hope that you have enjoyed the season and bring your team back next season.

**Team Daigle** is off to Charlottetown next weekend as the N.B. representative at the Atlantic under 18 tournament. We want to wish Krista Flanagan the best at this premier event. Her skip Jessica Daigle won the N.B. mixed High School championship this past weekend.

**Morning Curling** This will be the last morning curling available this season Wed. from 10-12.

**Skating**. We will not be able to have skating for kids as do not want to chance any damage to the easy sheets

**Jade and Krista** We want to wish them well as they graduate this year. Both are planning on going to university. We have many memories and it has been great for the club to see their progress from a little rocker to two of the best junior curlers in New Brunswick. You both have many curling achievements and we have really enjoyed playing with or against you. **Thank You.**

**End of season**. The season is drawing to a close and **we hope that you have enjoyed the year.** We have had a season of change with a renovated building with many improvements and some growing pains. We had the Mixed bonspiel in the fall, participated in Master series , purchase of easy sheets, large club bonspiels and hosting N.B. Mixed Bonspiel. Some off season dates are May 30, 2011 Monday 7 pm annual meeting and election of club executive. June 4, 2011 Saturday Yard Sale and Breakfast. Elimination draw on Saturday Sep17, 2011. Fall market on Saturday Oct 1, 2011.
