If you do not have a team we will make teams that evening. Aaron Girvan will be doing the trivia and it will be a fun evening.

Sponsor Night was very successful with over 25 sponsors sending representatives and 46 for the meal. Also thank you to all the members who attended and thanked our sponsors. We are very fortunate to have many sponsors who help us whether it be an advertising sign, commercial league team, bonspiels or event support. Thank you to Janet Tweedie for organizing the evening.

Friday meals are finished for this season. On sponsor night we had 100 meals sold which is the largest meal this season.

Coop Mixed Junior Spiel is this weekend. We have a team from Rexton entered with Carly skipping and Joey Hannay playing lead in the under 15 class. We also have Krista Flanagan who was part of Championship team last year playing and Dakota Carruthers is with a team from Fredericton. We want to wish our Junior curlers the best.

Commerical League playoffs will be on Saturday March 26 and Sunday March 27 and start at 9:00 am. Saturday games are 4 ends, Sunday 6 ends and all finals are 8 ends.

Morning curling is on Wednesday from 10-12 with a fun 6 end game. Teams are made each week. There will be no Friday am curling this week.

Little rocks/Juniors are finishing this week with a closing party on Tuesday. Thank you to all the volunteers who helped this year.

Master tour next stop is at the Beausjour on March 31 and poster on the Bulletin board.

Commerical league has finished its last draw and congratulations to the Cartier Cooperative team skipped by Wesley Johnson for the 1st place finish.

Closing Banquet will be on Saturday April 9th. We will be offering two food choices this year. You can choose between a Salmon or Stuffed pork chop dinner. For salmon we must know by Wednesday April 6th. After that date it will be the pork chop option. Will have tickets at the bar this week. If you want to indicate meal preference and pickup tickets the last week of the season it would be helpful for our planning.
